

Central Ohio HDSA

Education Committee

Sponsored by the Family Services Committee

This committee will present at least one educational event including providing contact hours every 2 years. This is a great service to our membership, the medical community and those whose lives are touched by Huntington's Disease. This committee also provides inservices to area care facilities to assist with the treatment of Huntington's Disease.

Bi-Annual Goals

1. Organize, plan and offer one educational event every 2 years.
2. Locate facility, topic and speaker.
3. Obtain approval for contact hours.
4. Determine event budget and cost to attendees.
5. Create event brochure.
6. Mailing of brochures to identified audience.
-skilled nursing facilities, support group, HDSA families and newsletter article.
7. Provide volunteers at event.
8. Follow-up letter to attendees with a thank you and information about chapter services.

Suggestion: Consider a possible Neurological Seminar with other diseases. Contact the Rocky Mountain Chapter for assistance.
